

To whom it may concern

Letter of recommendation

I the undersigned, Mr Aurélien MARTIN, academic supervisor for the IT master degree course in Engineering via the combined work-training scheme at CESI School of Engineering, 80 avenue Edmund Halley, Rouen Campus, 76800 Saint-Étienne-du-Rouvray, France.

Certify that Fourfooz Lucas has been enrolled since 2025 in the 3-year master's degree course in IT Engineering, in order to graduate he is required to go on a 12 to 17-week internship abroad either in company or in a research laboratory.

Luca is a trustworthy, rigorous and hardworking student. During his studies Luca has shown himself as very reliable and responsible in his academic work and in the conduct of projects. His English level will enable him to fulfil his internship with no difficulty.

The teaching team and the academic advisor of the programme highly recommend Luca's application for a placement with your organisation.

Rouen, France, 15 September 2026

Aurélien MARTIN
